1. Type **http://my.aos.tv** into your web browser and then log into AutoCONTROL by typing your **Username** and **Password** provided and click the arrow to log in. ▶

2. To view video / images that have been produced by the AutoCAPTURE app, click the **'IMAGE MANAGEMENT'** section. ▶

3. Select your account to view videos & images from the **'Select location / Dealership'** drop down in the centre of the top grey bar.

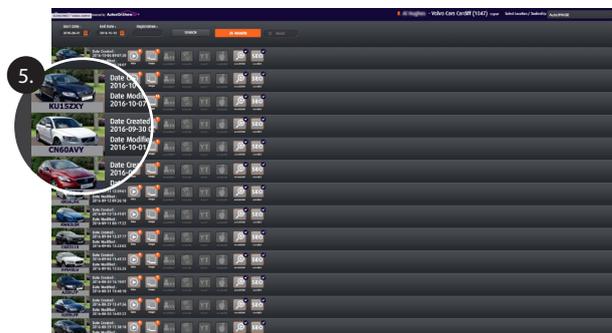

This account will be the name selected when the iOS device was used to record the car imagery. ▶

4. Enter a **Start Date** and **End Date** and click **Search** to view any cars that have been imaged within that date range.

You can also search by the **registration** of the car then select the **SEARCH** button. ▶

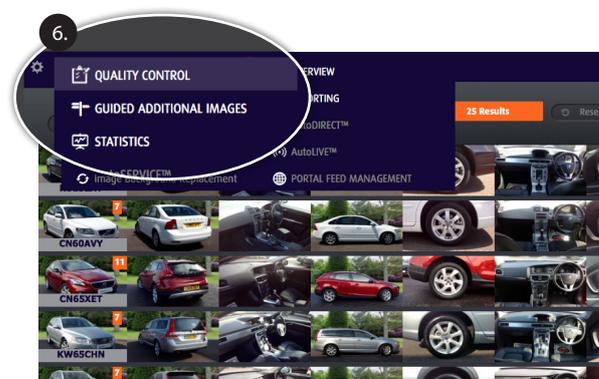

5. Double click the car thumbnail from the results page below to be taken to the appropriate videos and/or images for that car.

6. The **'QUALITY CONTROL'** tab (within the menu) shows a visual **'QC Wall'** to instantly view images across your entire car catalogue.

This enables you to observe the consistency of images that AutoCAPTURE brings at a glance. ▶

7. You can review your personal videos by selecting AutoDIRECT (from within the menu).

Adding users

AutoCONTROL allows you to add authorised sales people to use the AutoCAPTURE and AutoCONTROL application. This can be used for quality control and to identify sales personnel who require training.

1. From the Image Management Tab in the main navigation, click the 'Cog' icon  in the top left corner of AutoCONTROL.

2. Click  to add your authorised salesperson.

3. Tick the following boxes and complete the fields. ▼

Firstname	<input type="text" value="Firstname"/>	Email Address	<input type="text" value="Email Address"/>
Lastname	<input type="text" value="Lastname"/>	Username	<input type="text" value="steve"/>
Job Title	<input type="text" value="Job Title"/>	Password	<input type="password" value="....."/>

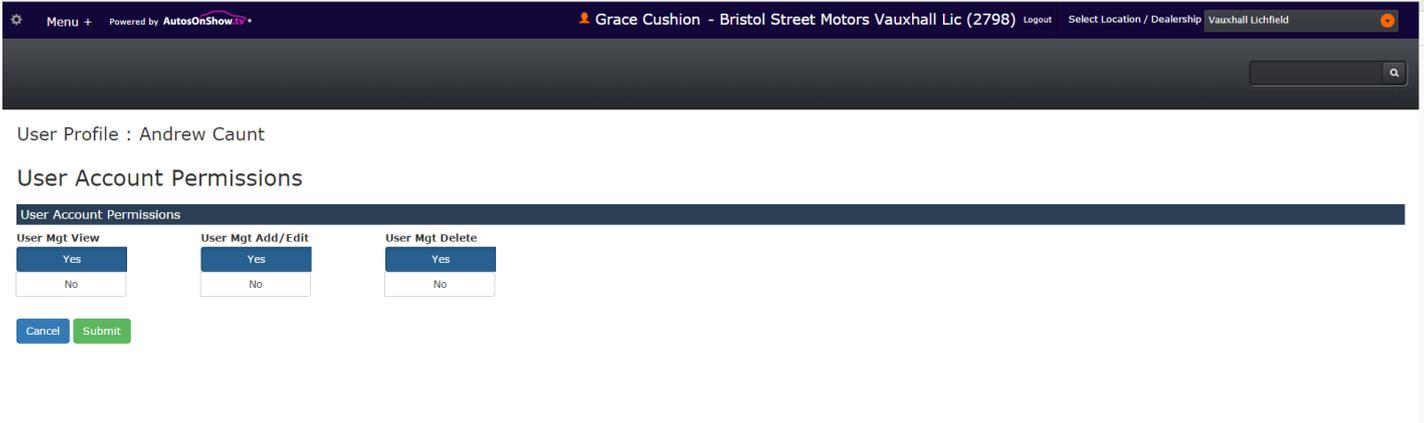

The Username and Password will allow the new contact to log-in to AutoCONTROL. Click **Submit** to complete the action.

4. Once you have created a user, click  and tick the following boxes. Click **Submit** to complete the action.
